Established in 2001, WoodsWind & Brass is an independent music business based on Brisbane's Northside. In 2019 we launched Woods Guitars and Keys to further extend our range and ultimately offer a one stop shop for all your musical instrument needs.

We are passionate about giving players the best possible opportunity to succeed in learning a musical instrument.

Whether it's through supporting music educators and school music programs, helping families select the right instrument, or carrying out quality repairs, we are here to offer honest advice and exceptional service.

Our 'Ready Set Play®' instrument rental program is 100% owned and operated by us, with no third party providers. Visit our showroom and workshop in North Lakes where we stock a great range of student and upgrade instruments, accessories and more.

Please don't hesitate to contact us on 1300 378 452, follow us on Facebook or subscribe to our newsletter to stay in touch.

Remember, we're here to help!

Warm regards,

Ready Set Play!®

school music rentals

Our Ready, Set, Play!® Rental Program is also available to schools.

We offer schools multiple ways to support music programs. We can supply rental packages directly or we can partner together to provide rentals to your school families as part of your program.

We can cater to suit your schools needs – rent by the year or semester and take advantage of our rental purchase options. Regardless of whether you want to rent just a few of instruments or an entire fleet, we can personalise a program to perfectly meet your needs.

GIVE YOUR STUDENTS THE BEST

WHY CHOOSE YAMAHA INSTRUMENTS?

EASY TO PLAY

Teachers agree that Yamaha student Instruments offer the best chance for young musicians to progress quicker. Our easy blowing and airtight instruments ensure that the player's first experience is one they would like to repeat.

DURABILITY

Every instrument that Yamaha produces is built to last. Knowing that student instruments take a battering, we only use the best material and workmanship to ensure young musicians, parents and teachers can rely on Yamaha.

CONSISTENCY

Every instrument that is produced is hand tested before it leaves the workshop. The culmination of technology and tradition ensures every instrument will be consistent across the board.

LOW MAINTENANCE COSTS

Instruments designed and engineered to such a meticulous standard are subject to less wear and stress than others. As a consequence, the routine maintenance required is minor.

A SOUND INVESTMENT

Yamaha instruments are easy to play, durable and requires little maintenance. What more could you ask for in a student instrument?

WHAT INSTRUMENT DO I BUY?

YTR2330 Trumpet

Designed for beginner player, this is light but with the ideal amount of resistance. The Monel valves ensure that your lessons will not be interrupted by sticking valves and light-weight bell helps you practice for longer without getting tired. No excuse for not practicing every night! Available in lacquer and silver.

YSL154 Trombone

The is the ideal choice for schools and beginners alike, and stands out as a beginner trombone for two key reasons. Firstly, the professional action slide is slick, accurate and low maintenance ensuring the player can practice long into the night! Secondly, it comes with a robust hard case that will protect your investment. Available in lacquer and silver.

YAS280 Alto Saxophone

The ideal first saxophone. Featuring some creature comforts like lacquered keys, sturdy neck receiver and high F# key this model will retain value when it's time to upgrade or sell. This model includes a backpack styled case for easy transport to and from school.

YFL212 Flute

This is the perfect instrument for the budding flutist or school hire fleet. Includes split-E, pointed key arms and silver plating. Yamaha's most popular flute.

YCL255 Clarinet

The YCL255 was built with the beginner in mind. Teachers love this model for its solid intonation, and the fact its strong ABS resin is durable. Includes a light-weight bell, adjustable thumb rest and easy-to-carry case.

The Essential Elements series (Books one, two and three) offers beginning students sound pedagogy and engaging music, all carefully paced to successfully start on their musical journey. EE features both familiar songs and specially designed exercises, created and arranged for the classroom in a unison-learning environment, as well as instrument-specific exercises to focus each student on the unique characteristics of their own instrument. EE provides both teachers and students with a wealth of materials to develop total musicianship, even at the beginning stages.

TUTOR BOOKS

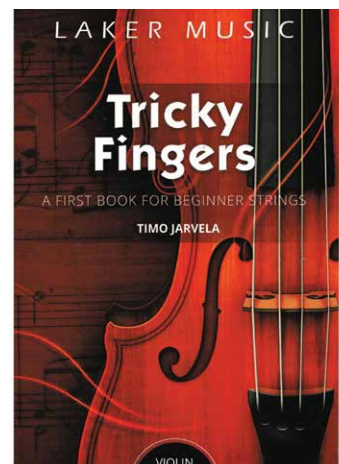

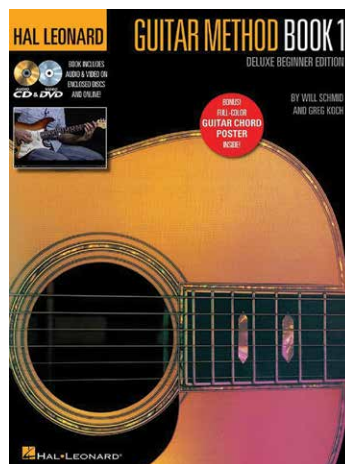

The Standard of Excellence Enhanced Comprehensive Band Method Book 1 combines a strong performance-centered approach with music theory, music history, ear training, listening, composition, improvisation, and interdisciplinary and multicultural studies. Students will find the new package makes practicing not only fun but effective, too! Each book comes with two CDs containing all the full band accompaniments and the revolutionary iPAS Practice and Assessment Software.

The Standard of Excellence Enhanced Comprehensive Band Method Book 2 provides further developments to the performance-centered approach presented in Book 1. Directors will welcome the complete accompaniments and inspiring software. Complete with music theory, music history, ear training, listening, composition, improvisation, and interdisciplinary and multicultural studies. Each book comes with two CDs. The result is the most complete band method available anywhere!

Tradition of Excellence Book 1 introduces the comprehensive learning series loved by students and teachers. It is a flexible performance-centred band method that seamlessly blends classic and contemporary pedagogy, instrument-specific DVD's, and the cutting-edge interactive practice studio technology.

Tradition of Excellence Book 2 continues the excellent series designed to combine cutting-edge interactive practice studio technology with classic and contemporary learning practice and instrument-specific DVD's, delivered via a flexible, performance-centred band method.

Bruce Pearson and Ryan Nowlin present a systematic comprehensive musicianship curriculum that is second-to-none.
